INTRODUCTION

March, 2007

Graduates of the Class of 2005 were surveyed one year after graduation to allow for voluntary delays in obtaining employment as well as for the job shifting that tend to occur in the year following graduation.

In keeping with the high placement rates of past Wittenberg University graduates, the Class of 2005 had an overall placement rate of 94.4% as defined by the number of those working full-time, enrolled in a post-baccalaureate program, or voluntarily unemployed. Additional report highlights include 91% indicated they were *very satisfied* or *satisfied* with their career status and 49.6% reported completing a field experience beyond the required Community Service requirement.

This report would not have been possible without the assistance of 1) the academic departments that shared data on the graduates who did not respond to our survey, 2) the Computing Center for assistance with getting the placement survey on line, and 3) Teresa Cantrell, the Career Center's Administrative Asst., whose diligence made this survey a reality.

The Career Center welcomes your response to this report and hopes you find the information both interesting and informative.

Sincerely,

Karen S. Reynolds
Director, Career Center

Appendix: Career Status Survey

Dear 2005 Graduate,

It is hard to believe that it has been a year since the Class of 2005 became Wittenberg alumni! This survey asks questions about what you have been doing this past year in terms of employment and/or continuing your education. You may have completed a similar questionnaire shortly after graduation, but the following survey is very important because the standard time line used by universities to collect career status data is one year after graduation.

All completed surveys that are received before **Friday July 14, 2006** will be entered into a drawing for a \$25 gift card from your choice of Home Depot, Best Buy, or Target.

You can also enter your information online using the following information.

To access the survey, go to www.wittenberg.edu :

1. Click on the "Wittlink" tab at the top.
2. Log on, and go to the "Alumni" section (located on the left hand side).
3. Click on the link titled, "Career Status Survey." Because of the changes made a box may come up saying you do not have access, but will have a space for you to log in—enter the same log in as you did for "WittLink".
4. This should then allow you access to the survey.

We greatly appreciate your assistance! If you have questions please contact us at 937-327-7521 or careers@wittenberg.edu.

Sincerely,

Wittenberg Career Center
